Mayor Grasso stated that the Village of Burr Ridge provides for mosquito control in the DuPage County portion of the Village and the Cook County portion is covered by the DesPlaines Valley Mosquito Abatement District. Clarke Mosquito is the contractor for the DuPage County portion of the Village and their services include surveillance, monitoring, larvae control, and adult control management. Generally, spray treatment does not occur unless requested by the Village due to excessive nuisance or presence of West Nile Virus.

There are currently 20 designated truck routes in the Village of Burr Ridge. Mayor Grasso explained the state statute and Village Ordinance regulations related to trucks and listed the designated truck routes in the Village. In addition, Mayor Grasso explained that regulations do not restrict deliveries or pickups provided the trucks are driven on the streets for a minimum amount of distance to complete the delivery or pickup.
